Edinburgh

ABOUT ME

I am personally and technologically curious, aiming to be happy, grow myself and others around me by staying informed, living outside of my comfort zone, and treating others non-judgementally, with respect, empathy and compassion.

EDUCATION

The University of Edinburgh — Computer Science (BSc Hons)

2017 - 2022

North Berwick High School — Advanced Higher (x4)

2011- 2017

EMPLOYMENT HISTORY

Tesco — Customer Assistant

October 2016 - August 2017, July 2018 - July 2022

Began working on the checkouts, received a promotion to the customer service desk. Due to experience and store knowledge, became a deputised team leader and covered team leader shifts.

Bright Network Internship — Intern

June 2021 - June 2021

Received seminars from Amazon, Google, Vodafone, EY, and other firms. Briefed by Google, implemented core YouTube functionalities as a command line application using Python. Took part in workplace skill sessions, software development upskilling and had daily networking opportunities.

MyTutor — Mathematics Tutor

November 2017 - July 2018

Taught GCSE mathematics through MyTutor. Tutored four students a week, planning and teaching lessons. Gained time management and planning skills.

Self-Employed — Mathematics Tutor

August 2019 - February 2020 (Cut short due to COVID-19)

Tutored a student in Higher Mathematics, focused on detailed lesson plans and improving on areas the student was struggling in. Furthered time management and planning skills.

VOLUNTEERING HISTORY

Code Club — *Volunteer*

April 2016 - June 2016

Volunteered at a local library teaching game programming to children aged 6-10, planning and teaching weekly lessons. By the end the children were creating simple functional games to play with one another.

Playscheme — *Volunteer*

Attended multiple times in the years 2016, 2017

Attended multiple summer and spring sessions. Responsible for a child with additional needs to care for, ensured the child engaged in group activities safely and enjoyed them.

Coppafeel — *Volunteer*

September 2018 - September 2019

Social Media Rep for the Coppafeel! team, promoting breast cancer awareness with a focus on male breast cancer through events and social media.

AWARDS & CERTIFICATIONS
